Companion Life Vision

Companion Life Vision plan has been approved in North Carolina! We are currently quoting both employer-paid and voluntary vision for groups based in North Carolina as well most other states. Now is a great time to quote Companion Life for all of their products- Life, Dental, STD, LTD and Vision. Voluntary vision may be written with as few as three enrollees!

Starmark Year-end Bonus

Earn up to \$15,000 from Starmark! Starmark is paying a bonus for each new group of 5+ lives that is submitted between 10/1/09-12/31/09.

Please click [here](#) for details.

Name Your Rate!

With GroupLink you can name your dental rate! GroupLink has a variety of plan options and co-pays that can be chosen to get the rate that your group needs. Just let us know what the group wants to pay for dental coverage and we will customize a plan for them!

Senator Jim DeMint at The Cason Group

The Cason Group was pleased to have South Carolina Senator Jim DeMint speak at our Columbia, SC office on August 28, 2009. Senator DeMint gave an update on pending healthcare legislation in addition to answering questions from those in attendance.
