

# Lauren Jones

Recently, the Lord called one of ours, Lauren Jones, home to be with Him. Lauren Jones worked for The Cason Group the last two years, but was called Home on April 21, 2006 after an automobile accident. She was a light in a dark world, a precious treasure of the Lord who sought to bring the light of the gospel to all those she knew and met. Most recently, Lauren was working as a Marketing Assistant to Vince Guerra. For those who knew Lauren you were graced to see a young

lady who loved Christ first, was infectious in her joy, captivating with her smile, humble in her transparency, embracing in her love, and powerful in the strength of the Lord.

We mourn because she is no longer with us, but we rejoice because she has gone on to be with the one who is "light and in Him there is no darkness at all." In her death, her light is not extinguished but burns all the brighter for to live is Christ and to die is gain. She now wears the glory of Christ and her light in heaven outshines all the light of earth.

For the past fifteen years, The Cason Group has strived by God's grace to uphold the truth of Matthew 5:16, "Let your light shine before men, that they may see your good deeds and praise your Father in heaven." By God's grace and following Lauren's example we will continue to do so.

**"Precious in the sight of the Lord is the death of His Godly ones."**

**Psalm 116:15**
